

# The Digital Citadel

## Use The Keystones To Build A Secure, Smart & Successful Remote Working Setup

More at: [bcs365.co.uk/remote-working](https://bcs365.co.uk/remote-working)

### Strong Defences: Security

- 1 Email Vigilance
- 2 Anti-virus & Malware
- 3 Multi-factor Authentication

### Solid Foundations: Software

- 1 Video Meeting Platform
- 2 Cloud Collaboration
- 3 VoIP

### Your Tower: Working Space

- 1 Good Setup
- 2 Headsets
- 3 Monitoring (Time)
